This is a brief example of some of the coverages and limits which are available. It is not a contract, binder of coverage nor a recommendation of coverage. All coverages are subject to the terms and conditions contained in the policy and endorsements. You should also check the association documents to determine insurance responsibility for fixtures, equipment, and improvement to your unit. If you have any questions, please contact my office.

This is not a bill. This is a PROPOSAL only for individual insurance.
